

External Resources for Guidance Counsellors

This document contains information on some EXTERNAL resources for Guidance Counsellors - in support of students. This document was collated to support Guidance Counsellors in their approach to Whole School Guidance and to ensure Guidance Counsellors have access to a variety of external supports.

This document may be appended to the Whole School Guidance plan or may be a 'standalone' resource for Guidance Counsellors and other members of staff.

This document is not final nor exhaustive, it will need to be reviewed regularly.

Index of external resources available to Guidance Counsellors as summarised in the External Resources for Guidance Counsellors webinar, March 2022

Agency/Company	Resource Name	Purpose of Resource/Short Summary	Available at
Trinity Access 21	The Staff Room	This is a space where post primary teachers can engage in a community of practice, find and share resources and lesson plans and chat with other teachers and the Trinity Access Team. The site contains resources on pathways to college, Leadership in learning, and Mentoring.	www.thestaffroom.ie
Publicjobs.ie	Schools Micro Site	The Public Jobs Schools Resource Kit is a new programme for second-level students that aims to spark interest in the wide variety of career opportunities that are available across the public sector. The Resource Kit is accessible to over 720 post- primary schools throughout Ireland and is available in both Irish and English. It presents information about public sector careers in a new way for guidance counsellors and other teachers, building confidence around discussing career options in the public sector with students and their parents. Pages of particular note are Student Info, Teacher Resources and Career Profiles.	Schools (publicjobs.ie) Student Info (publicjobs.ie) <u>Teacher Resources</u> (publicjobs.ie) Career Profiles (publicjobs.ie)

Acmhainní

Publicjobs.ie	The Pitch - the PublicJobs.ie Schools Advertising Challenge	The Pitch is an exciting competition for post-primary students to express their creative, digital and communication skills, while learning about future career opportunities in the public sector. As part of the competition, students are challenged to create a 30-second video advertisement pitching the public sector as an attractive career pathway for their fellow students.	<u>The Pitch Competition</u> (publicjobs.ie)
		The winners of The PublicJobs.ie Schools Advertising Challenge for best video(s) will be in with a chance to win some fantastic prizes that showcase the diversity of careers available in the public sector.	
		 The prizes include: Test those newfound media skills by interviewing the Taoiseach Micheál Martin on his career so far! Discover all-action lifesaving skills with a trip to an Irish Coast Guard Rescue Coordination Centre or Helicopter Base! Experience behind-the-scenes action and take part in a policing simulation at An Garda Síochána! 	
Publicjobs.ie	Job Search	Where you can find all the jobs that Public Jobs has on offer. There are on avaerage approximately 300 job opportunities listed at any one time. This shows the variety of roles on offer within the public sector.	Job Search Find Civil & Public Jobs publicjobs.ie

Publicjobs.ie	Civil Service Career Path	Outlines a possible career path within the civil service, grade structures, role defenitions, terminology and the benifits on offer.	Career Path in the Public Service publicjobs.ie
Publicjobs.ie	Our Recruitment Process	Explains our recruitment process including typical recruitment timelines, glossary terms and detailed breakdowns of each stage of teh process. There is also a link to an FAQ section. Other pages to take note of here are Application Advice, Test Advice and Interview Advice, all of which have lots of details, tips and links to sample tests.	Our Recruitment Process publicjobs.ie Application Advice Public/Civil Service Jobs publicjobs.ie Test Advice for Public Jobs publicjobs.ie Interview Advice Advice for Public Service Jobs publicjobs.ie
Publicjobs.ie	Who We Recruit For	The Public Appointments Service through its website, publicjobs.ie, is the centralised provider of recruitment services for the Civil Service. We also provide recruitment services for the most senior roles in Local Authorities, leadership positions and Medical Consultant roles for the HSE, An Garda Síochána, and a range of specialist professional and technical roles throughout the Public Sector. We also support the appointments, by Minsters, to State Boards through our website at <u>Stateboards.ie.</u>	<u>Who We Recruit For </u> <u>publicjobs.ie</u>
PDST/DE	LCCS website	(Under development) A portal for information relating to all things Computer Science. This site contains links to information targeted to different stakeholders including Students, Teachers and Guidance Counsellors.	https://www.compsci.ie/lccs/

Page **4** of **20**

			1
PDST	Compsci	Compsci.ie is a portal site created by and for teachers and students in Ireland and is part of the Scoilnet portal. The development of the site is a result of collaboration between Scoilnet, The Department of Education and Skills (Inspectorate) and PDST Computer Science.	https://www.compsci.ie/
NYCI Skills Summary	Skills Summary e- Learning course	Skills Summary is an easy to use online tool that captures the skills young people gain by participating in non-formal education; building their confidence so that they can better communicate the value of these essential skills to future employers. This free 30 minute online course is for all who work with young people and wish to explore the potential of the Skills Summary tool and how to use it.	https://learning.youth.ie/cours es/skills-summary/
NYCI Skills Summary	Skills Summary Guide for Youth Work Organisations	This guide is for those who have the privilege of witnessing the flourishing of young people in real-time but still often worry that those young people get left behind in the competitive world of employment and further opportunities	https://www.skillssummary.ie/ wp- content/uploads/2020/09/Skill s Summary Guide updated.p df
NYCI Skills Summary	Skills Summary in Practice: How Youth Organisations are Using the Tool	Skills Summary tool can be used in a variety of ways and for a variety of purposes. Unlock the potential and get inspired! Read about how youth workers, tutors, support coordinators, artistic directors, youth information workers and others supporting young people in their skills development have been using the tool.	https://www.skillssummary.ie/ wp- content/uploads/2021/09/Skill s-Summary-in-Practice-How- Youth-Organisations-are-Using- the-Tool.pdf
NYCI Skills Summary	Measure the UBU outcomes with Skills Summary	This infographic illustrates the strong relationship between Skills Summary, as a development tool that measures young people's skill development progress, and the UBU Your Place Your Space `seven personal and social development outcomes`, that many youth work organisations are guided by in their practice.	https://www.skillssummary.ie/ wp- content/uploads/2020/10/Info graphic_Skills- Summary_UBU_Chart_new.pdf

Classroomguidanc e.ie	Careers News and Events	A page with a weekly video on the upcoming careers events, a calendar where you can book these events and lots of other social media keeping you in the loop.	<u>Careers Events link</u>
CFES Brilliant Pathways	CFES Website	This website houses an abundance of resources for increasing college and career readiness through CFES' three core practices - mentoring, Essential Skills™, and pathways to college and career.	CFES Brilliant Pathways
AIB Future Sparks	Let's Talk About Careers	Developing my Career Awareness - a resource to introduce the world of careers to junior students. This would be ideal for use during College Awareness Week with first years.	AIB Let's Talk About Careers Link
AIB Future Sparks	Transition Pack	Developing Myself & My Learning: Transition to Post Primary School - a comprehensive resource covering the main areas of concern and adjustment for incoming 1st-year students. This would be best suited for use during the first weeks of secondary school as part of the wellbeing/guidance-related learning/tutor time. The NCGE Guidance Related Learning suite of resources would complement this very well.	AIB Transition Pack Link
AIB Future Sparks	CBA Skills Workshop	Developing Myself & My Learning: Preparing for the CBA journey ahead. This resource is an extensive bank of teaching resources to support students in first and/or second-year preparation for the CBAs. From research basics to acknowledging the key skills trajectory and learning opportunities; this is a flexible tool to support teachers and students alike.	<u>CBA Skills Workshop Link</u>

AIB Future Sparks	Moving up to Second Year	Developing Myself: A comprehensive resource for use with students entering second year. Designed as a self-reflective tool it should allow teachers/guidance counsellors/tutors to traverse a variety of content supporting the student's transition to second year.	AIB Moving up to Second Year Link
AIB Future Sparks	Key Skills Workshop	Developing Myself, My Learning & MY Career Path: Educating 1st & 2nd years on their key skills. This resource is an opportunity to check in on the learning capacity of skills within the junior cycle curriculum. The material could be used as a complete workshop or part thereof. The content allows the students to call out the many skills they already use and explore the possible long-term (career/life) benefits.	AIB Study Skills Workshop Link
AIB Future Sparks	Values Audit Focus on Me	Developing Myself & MY Career Path: Motivating for Senior Cycle, this resource is part of a set of AIB Future Sparks resources that target the transition to senior cycle via the Whole School Guidance avenue. This material incorporates the Classroom Guidance Values Audit, employing it to generate meaningful conversations around values and how this can impact our career and life choices.	<u>AIB Values Audit Focus on Me</u> <u>Link</u>
AIB Future Sparks	Career Awareness Task for Senior Transition	Developing Myself & My Career Path: An exploration into the world of work using Careers Portal videos and guide questions. This resource could be used with 3rd years to prepare for their transition conversions or with senior students as part of their Career Guidance	AIB Career Awareness Task for Senior Transition Link
AIB Future Sparks	CV Taster Lesson	Developing Myself & My Career Path: A resource designed to open the conversation on CV and skills development with students getting ready for the transition to senior cycle. Alternatively, this lesson could be used with seniors as a warm-up for their CV preparation. This material will work well followed by the 'A Winning CV' AIB Future Sparks resource.	AIB CV Taster Lesson Link

AIB Future Sparks	A Winning CV	Developing Myself & My Career Path: A comprehensive guide to crafting a competitive CV for senior students.	AIB A Winning CV Link
AIB Future Sparks	Eight Steps to Self- Assessment Success	Developing Myself & My Career Path: A step by step guide for seniors to self- assessment for use within career guidance class or in a 1-1 setting. This resource focuses on the benefits and rationale of each of the eight self-assessments included. There is a rationale included for each one and a self-reflection space provided.	AIB Eight Steps to Self- Assessment Success Link
AIB Future Sparks	H.R. Expert Advice for Job Application Success	Developing My Career Path: Using an expert featured on the AIB Future Spark's TV episodes, Dr. Ultan Sherman, this resource is a one-stop-shop to prepare seniors for their first HR and job application experience. Keywords: Career Guidance, Career Planning; Interview; CV; Human Resources; Job Applications	AIB H.R. Expert Advice for Job Application Success Link
AIB Future Sparks	Interview Workshop for Seniors	Developing My Career Path: A step by step guide for seniors on how to prepare for an interview. This resource is useful if used in conjunction with the above suite of resources and Careers Portal.	<u>AIB Interview Workshop for</u> <u>Seniors Link</u>
AIB Future Sparks	Wellbeing Skills Self-Assessment	Developing Myself: A suite of self- awareness self-assessments. These would be useful with a tutor group, as part of the wellbeing hours/guidance-related learning, as part of senior cycle RSE, guidance counsellor could also use this resource to enhance self-awareness and wellbeing conversations.	AIB Wellbeing Skills Self- Assessment Link

AIB Future Sparks	Study Skills Workshop	Study Skills/Learning Styles workshop. A comprehensive suite of resources covering various aspects of study skills, self- awareness, how memory works, motivation, organisation, learning styles, balance, and much more. This could be used with any age group, either as a full unit or part(s) thereof. It could also be delivered to TY with a view to running study workshops with juniors. Subject departments could use parts of this content to contextualise the conversation around study skills.	AIB Study Skills Workshop Link
AIB Future Sparks	Don't Sweat the Stress	A complete resource to use either as a stand-alone stress management intervention or using parts thereof, as needs arise. This material is based around Dr. Clare Hayes' anxiety awareness and acceptance story 'The Elephant & the Mouse'.	AIB Don't Sweat the Stress Link
AIB Future Sparks	Parent-Teen Communication	Using the AIB Future Sparks TV episode with Dr. Louize Carroll, this Teens Take Over episode delves into the parent/teen relationship. The material allows users to explore and discuss perspectives on this age-old topic.	AIB Parent-Teen Communication Link
AIB Future Sparks	Bank of Skills	A resource containing examples of the many skills you have and will develop over the course of this programme. This also provides an overview of how life skills may be divided up into different types - People, Personal, and Task skills. This resource is a helpful accompaniment for students who are exploring and evaluating their own skills, as well as a necessary resource for various AIB Future Sparks student worksheets.	<u>AIB Bank of Skills Link</u>
