Mission

ETBI'S mission is to lead and advance the continued development of education, training, and youth work in Ireland.

Vision

To harness our strength to influence and promote a strong education and training sector through collaboration and collective effort.

Values

ETBI's five core values represent the core values of the ETB sector working collectively. Core values are like "branding" but on the inside. They help ETBI to make informed decisions and unify the culture. This will help ETBI hold ourselves accountable and others accountable in decision-making and our engagement with partners and other stakeholders. The five core values are **Excellence, Care, Equality, Community and Respect**.

- **Excellence** includes excellence in education, training, and support. It is underpinned by the core values of care, respect, community, and equality. Excellence encompasses outcomes, experiences, and expectations of the people involved.
- **Care** is about the welfare, well-being, and safety of all who are involved in education and training. It is exemplified in meaningful relationships, connectedness, and empathy, alongside support and solidarity.
- **Equality** is about treating everyone equally and recognising and celebrating the diversity of those involved in education, training, and youth work. It is exemplified by targeting resources for those who have the need and prioritising a culture of inclusion.
- **Community** encompasses learners, their families, staff, and the local communities in which our services are based. It is about having a shared vision, values and purpose, a sense of belonging, and a voice that is listened to. It is

exemplified in productive collaboration, positive contributions, and effective communication among all stakeholders.

- **Respect** is about upholding the dignity, rights, and recognition of the identity and background of all those involved in education, training, and youth work. It is exemplified in relationships between all stakeholders, and decision-making that impacts positively on the rights, feelings, and aspirations of the diversity of people.

Equality, Diversity and Inclusion

At ETBI, we believe that diversity and inclusion are essential to the success of our goals and exist at the core of our values. Diversity not only includes ethnicity and gender identity but also age, disability status, sexual orientation, religion and many other parts of one's identity. We are committed to cultivating a workplace of individual differences which embraces unique perspectives and fosters a culture of belonging. Our team is strengthened by a growing diverse workforce, and we actively seek individuals representing various backgrounds, experiences, and ideas to join us in our mission. At ETBI, diversity and inclusion are everyone's responsibility and are the foundations of our collective growth and prosperity.
